LATE REGISTRATION

Memo:

It has been noticed that certain colleges send the late registration forms directly to the Chairman BISE Peshawar and Registration Section. These colleges even do not have the capacity to write an official letter and submit the cogent reasons for this inordinate delay.

The colleges incharges at least should be professional and should know that 75% attendance is a must for a student to complete his academic session.

Moreover, being involved in education and promoting education, it is the responsibility of private colleges to remain very clear about certain notifications and date of registration issued by BISE Peshawar.

It is unfortunate that certain private colleges are more interested in their business than the promotion of true learning.

It is therefore directed, at least, not to send the young kids directly to BISE Peshawar when the date is already expired.

In case of non-compliance and if the students are continuously sent to BISE Peshawar, proper action shall be taken against the colleges please.

BISE PESHAWAR
